Customer Details

Name: Mr John Payne

Email: johnpayne997@btinternet.com

Address: 53 Zetland Road, Redland, Bristol, Bristol
BS6 7AJ

Comments Details

Commenter Type: Amenity - Residents Group

Stance: Customer objects to the Planning Application

Comments: Bristol Civic Society objects to the proposed signage. It would result in an additional high level sign (11m above ground level). The Society considers that this would be harmful to the amenity of this very pleasant approach to Bristol and could be prejudicial to road safety on this busy road.

Application Summary

Address: 43 Forest Road Bristol BS16 3XF

Proposal: Creation of off street parking and vehicular access onto Forest Road.

Case Officer: Stacey Hartrey

Comments Details

Commenter Type: Amenity - Residents Group

Stance: Customer objects to the Planning Application

Comments: Bristol Civic Society acknowledges that off-street parking would be beneficial to the householder but otherwise cannot see what gain in parking provision there would be as the on-street space would simply be replaced by the off-street space. The Society does not feel that this would justify the loss of the walled frontage.

Application Summary

Address: 5 Glenwood Road Bristol BS10 5HQ

Proposal: Creation of parking area in front garden.

Case Officer: James Culshaw

Comments Details

Commenter Type: Amenity - Residents Group

Stance: Customer objects to the Planning Application

Comments: Bristol Civic Society considers that there will be no gain in parking provision resulting from the proposal as the on-street space will be lost. In addition, the garden wall will be lost.

Application Summary

Address: 1 Redcliff Street Bristol BS1 6NP

Proposal: Proposed rooftop extension to provide additional office space and meeting rooms, the erection of PV Panels and associated infrastructure.

Case Officer: Gary Palmer

Comments Details

Commenter Type: Amenity - Residents Group

Stance: Customer objects to the Planning Application

Comments: Bristol Civic Society made broadly favourable pre-application comments on the proposed additional floor. The Design and Access Statement accompanying the application states that the additional floor would be illuminated. The Society considers that the proposed illumination would harm the appearance of this fine and conspicuous example of twentieth century architecture and give undue prominence to the proposed additional floor which we consider should be subservient to the original building.
